

Germaine R. Carter's Birthing Mandate

Germaine R. Carter was born in Baton Rouge, Louisiana and raised in the small town of St. Gabriel, Louisiana. At the age of 10, she came into the knowledge of whose she was. Prior to this, God had spoken to Germaine's mother. He told her mother, "For you shall expand to the right and to the left, and your descendants would inherit the nations and make the desolate cities inhabited . . . (Isaiah 54:3). Germaine played a vital role in this prophesy. Her mother and father constantly reminded her of who she was and what she was to do. Over a period of time there were many things that took place that would remind her of what she should be doing. However, she reluctantly walked in what was prophesied until she found herself one evening prostrate on her bathroom floor, crying out to God. God spoke to her and told her that the blessings she was to receive would far outweigh the temporary pain she was experiencing. After that encounter with God, she felt she had no choice. His will was to be done.

In 2003 He gave her the vision for God's Word. Since then she has been consumed by His vision. God's Word was birthed in 2004. God's Word offers counseling and educational services. It is not a church, but a ministry. The ministry has the same impact as a mission. God's Word Food and Supplemental Assistance Program provides food, clothing, school supplies, toiletries and other household items to those in need. Counseling services are offered to families and individuals. God's Word educational services are comprised of groups, classes and seminars. One seminar is Body.Soul.Spirit. This seminar effectively empowers, educates and enlightens women from all over the world. In 2008 it was manifested that representatives would assist with this seminar. The representatives in various cities also serve as liaisons for God's Word.

Germaine goes about serving God's people through God's Word knowing she is fulfilling the great commission that is upon her life.
